

IN THE CLAIMS

Please add new dependent claims 68-82 as set forth below:

¹⁴
~~68~~ An arrowhead as recited in claim 1 wherein said second cutting edge is disposed on a second cutting blade attached to said arrowhead.

¹⁵
~~69~~ An arrowhead as recited in claim ~~68~~¹⁴ wherein said second cutting blade is a fixed blade.

¹⁶
~~70~~ An arrowhead as recited in claim ~~69~~¹⁵ wherein said arrowhead is a blade-opening arrowhead.

¹⁷
~~71~~ An arrowhead as recited in claim ~~69~~¹⁵ further comprising a shaft configured upon said arrowhead so as to aid in fixedly attaching said second cutting blade to said arrowhead body.

¹⁸
~~72~~ An arrowhead as recited in claim ~~71~~¹⁷ wherein at least a section of said shaft is threaded, said arrowhead body comprising a through hole having at least a section thereof threaded so as to receive said threaded section of said shaft therein when said fixed blade is attached to said arrowhead body.

¹⁹
~~73~~ An arrowhead as recited in claim ~~71~~¹⁷ wherein said fixed blade has an aperture, said shaft extending through said aperture when said fixed blade is attached to said arrowhead body.

²⁰
~~74~~ An arrowhead as recited in claim ~~73~~¹⁹ wherein said arrowhead is a blade-opening arrowhead.

²¹
~~75~~ An arrowhead as recited in claim ~~71~~¹⁷ wherein said arrowhead body is a single integral structural entity.

⁴³
~~76~~ An arrowhead as recited in claim ~~24~~³¹ wherein said second blade is a fixed blade having a cutting edge disposed thereon.

⁴⁴
~~77~~ An arrowhead as recited in claim ~~76~~⁴³ wherein said arrowhead is a blade-opening arrowhead.

⁴⁵
~~78~~ An arrowhead as recited in claim ~~76~~⁴³ further comprising a shaft configured upon said arrowhead body so as to aid in fixedly attaching said second blade to said arrowhead body.

⁴⁶
~~79~~ An arrowhead as recited in claim ~~78~~⁴⁵ wherein at least a section of said shaft is threaded, said arrowhead body comprising a through hole having at least a section thereof threaded so as to receive said threaded section of said shaft therein when said fixed blade is attached to said arrowhead body.

⁴⁷
~~80~~ An arrowhead as recited in claim ~~79~~⁴⁶ wherein said fixed blade has an aperture, said shaft extending through said aperture when said fixed blade is attached to said arrowhead body.

⁴⁸
~~81~~ An arrowhead as recited in claim ~~80~~⁴⁷ wherein said arrowhead is a blade-opening arrowhead.

⁴⁹
~~82~~ An arrowhead as recited in claim ~~79~~⁴⁶ wherein said arrowhead body is a single integral structural entity.--
